Have you ever used the Micro Gallery system (London or CD-ROM versions) ? yes/no

How many years have you been using computers of any sort ? ☐

Have you used more than one kind of computer ? yes/no

If yes, how many kinds of computer (eg Mac, PC, Mainframe, Mini) ? ☐

How many kinds of major software (eg word proc, spreadsheet, database) ? 1 to 5
6 to 10
11 - 15
16 +

What do you think is or are the most important factor(s) affecting how easy it is to use a computer system ? good/ok/nothing

What do you understand by the term 'user interface' ? good/ok/nothing
If good/ok, what (do you think) are the main types of user interface ? good/ok/nothing

Do you know what the following stand for ?

HCI	yes/ok/no	GUI	yes/ok/no
UIMS	yes/ok/no	GOMS	yes/ok/no

Do you know the terms 'hypermedia' and 'multimedia' ? yes/no
If yes, what do you think are the differences between them ? good/ok/nothing

Have you done any software or system development (coding) ? (How much ?) yes/no
If yes, have you done any interface development ? (How much ?) yes/no

Have you done any software or system design ? (How much ?) yes/no
If yes, have you done any interface design ? (How much ?) yes/no

Have you done any software or system testing or evaluation ? (How much ?) yes/no
If yes, have you done any interface evaluation ? yes/no

If yes, what interface evaluation method(s) have you used ? For how long (yrs) ? ☐

If yes, what other evaluation methods do you know of (if any) ?
